

God created us beautifully different on the outside but all special to Him

We should see all our different skin colors and tones as part of God's creativity and beauty while remembering we each are special to God and created to be filled with His love.

Please watch this reading of the story its okay to be different:

Think about what you've learned about difference and diversity.

- Do you think difference and diversity are important in a community? Explain why or why not.
- What will you think about or do next time you feel different? What advice would you give to another student who was feeling this way?
- What do the words *difference*, *diversity* and *community* mean to you? How has your understanding of these words changed after these lessons?

John 4:9-16

"This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another. No one has ever seen God; but if we love one another, God lives in us and his love is made complete in us. We know that we live in him and he in us, because he has given us of his Spirit. And we have seen and testify that the Father has sent his Son to be the Savior of the

world. If anyone acknowledges that Jesus is the Son of God, God lives in him and he in God. And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in him."

Also, because of how M&Ms & Skittles are made, they are easily shared with others. God's love is made to be shared through sharing the Gospel - the Good News of Jesus Christ!

Have a Fantastic Weeks ☺ - Krystal
