Dear Friends,

Join us **Sunday, October 2nd** at 10:30 a.m. at Riverbend United Church for Worldwide Communion Sunday or [click here](#) to view this Sunday's service on our You Tube channel. This week Rev. Tom Sawyer will lead us in worship. In light of news this week focused on weather, Rev. Tom says:

"As I write this note, we are seeing storm devastation in eastern Canada and listening to Florida warnings of another extreme storm about to hit. Our glacier fed rivers may no longer exist to provide water for Alberta cities and towns when our grandchildren are the age of most of present congregation members. To listen to some of our leaders one would think it is more important to further develop fossil fuels than to change our living styles before climate change makes those styles impossible. Pray that as a people we may see what is needed for those grandchildren who will be coping with the world we seem to be leaving them."

Have a beautiful fall weekend,

Riverbend United Church
