### This week

April 14, 2023

Dear friends,

Please join us as we honour Earth Day, on Sunday, **April 16<sup>th</sup>** at 10:30 a.m. Jacqueline Hunt will lead us in worship this week as we reflect upon Jesus' message "blessed are those who have not seen and yet have come to believe." What have you seen — if anything — that helps you believe? And if you have not seen, why do you believe?

Peace in these glorious spring days,

**Riverbend United Church**
