This week's message

May 26, 2023

Dear Friends,

This Sunday we will share in a Whole Community Worship, created and led by Carolyn Miller and the Youth Group. Here's what Carolyn has to say about the service: *"This week we will pose the question: what nourishes your spiritual journey and helps your faith to grow? It is also Pentecost, which you could argue, is the ultimate faith "fertilizer," as people heard stories of the wonders of God and the teachings of Jesus in their own language for the first time."*

Once again we will resume the pre-Covid tradition of offering gifts to the Mission and Service of the United Church of Canada to mark recent family special events and anniversaries. This occurs at the beginning of the service. More information about Mission & Service can be found [here](#).

We hope that you can join us either in person or online for this special service.

See you Sunday,

Valerie
