Worship with us at Riverbend United Church

April 19, 2024

Dear friends:

I remember when “Earth Day” was seen as a “hippie” invention, way back in the 1970’s.

And I remember reading Senator Al Gore’s prophetic 1992 book, *Earth in the Balance*. I remember how people didn’t take seriously the warnings he expressed.

Now look where we are.

On this Earth Sunday, we will lament what we’ve done to this good earth.

And we will celebrate God’s creation.

We will be called to move forward in hope and in action, honouring the land and our responsibility in caring for creation.

Lyndsay Vander Hoek will share with us, focusing on “Land: Living, Loving, and Listening.”

I hope you can join us for worship. If not, you can find some resources linked below under the Worship Bulletin.

Warmly,

Valerie
