A note from Valerie

May 24, 2024

"In a conversation with RUC member Doug Spaner last month, I said we were crawling back from Covid, but not quite there, as a church. Doug pointed out that we have not named what we have lost due to the pandemic. We haven't given space for that in worship.

He made a wise point. To heal from our losses in life, we must honour them. This Sunday, though we will gather to give thanks and praise as we usually do, we will also give space to acknowledge what we've lost.

Doug will share with us, reflecting both on the loss we all know in life and on the hope we are called into.

We will also share in the sacrament of Holy Baptism and the Ensemble will lead us musically.

It's also Mission and Service Sunday so you may want to bring a special gift to honour events in your family's life this month.

I hope you can join us.

Warmly,
Valerie
