A note from Valerie

May 31, 2024

I believe this Sunday will be special. A youth who grew up in this church will be sharing with us some of his journey transitioning from being born female to identifying as male. We hear from him as part of Pride Sunday, designated as the first Sunday in June by the United Church of Canada.

Amelio Skinner is a grandchild of Brent and Audrey Skinner, whom some of you have known or know. I've been struck by his wisdom, maturity, graciousness and courage as we spoke of this possibility of him sharing. I hope you will join us to listen, learn, grow, and help hold sacred space for him.

We will also share in **Communion**, remembering that Christ's table is open to all. If you're joining us online, you may want to have some bread and a cup nearby to participate.

Check out the brand new summer edition of [The Front Pew newsletter](#). Once again our members and editorial team have done a superb job capturing a season of the church's ministry.

Peace to all,

Valerie
