A note from Valerie

June 14, 2024

June 21 has been designated as **National Indigenous Peoples Day**, inviting us to recognize and celebrate the history, heritage, resilience and diversity of First Nations, Inuit and Métis across Canada.

We will honour it this Sunday with David Faber, one of our own who has worked with the Indigenous community in the Edmonton area for over 20 years. He is also working Internationally for several large humanitarian organizations focused on Indigenous support and reconciliation.

David will share his journey and reflection through reconciliation over these years.

We look forward to a rich service of worship. I hope you can join us.

Our thanks to Jennifer Tupper and the Spiritual Formation Committee for the picnic last Sunday. They hosted a lovely time of connection, fellowship and nourishment for body and soul.

If you submitted your contact information for the **new Church Directory**, you can pick up your hard copy this Sunday or during the week in the office. It is a living document and we'll add a page of additions / corrections as needed going forward. Digital versions will *not* be available.

Have a blessed weekend,

Valerie
