Dear friends:

This Sunday, we welcome the people of St. Paul's for a final summer partnership Sunday together. We will celebrate the beauty of creation as summer turns toward its final lap. St. Paul's musician Tyson Kerr will join us and offer a musical gift.

I want to take a moment to thank Carolyn Miller for tending to our church sign out front through the years. I had occasion this week to join her in changing it after some community rascals mischievously adjusted the letters in the night. I saw the gymnastics she goes through to do so, though she says, "It's not a big thing." Thank you, Carolyn, for this ministry!

Reminder: This is the last Sunday to bring non-perishable items for the Edmonton food bank.

In our prayers, we hold the family and friends of long time RUC member **Doreen Jenkins**. Doreen died peacefully Thursday morning. She always brought a spark amongst us. She and Kay Wood donated the stained glass image at the front of the sanctuary in memory of their husbands many years ago. A private family ceremony will be held at a later time.

We also remember **Patrycja Kabut-Hinger**, recovering from a brain procedure yesterday. She hopes to go home from the hospital "soon."

Have a beauty- filled weekend,

Valerie
