## Message from Rev. Valerie

May 1, 2026

Dear friends;

This Sunday we begin a new series in worship: *An Unfolding Creation*. I am excited to explore this with you.

The first words of our sacred text are these: "In the beginning, when God began to create the heavens and the earth..." (Genesis 1: 1.) Creation is still a work in progress, just as we are in our lives.

We'll be exploring the story of this unfolding and asking what it might mean for our lives today. If you'd like a glimpse of where we're heading, I've created a short introduction video. [Click here](#) to view it.

In gratitude,

*valerie*
