Message from Riverbend United Church

June 19, 2026

Dear Friends,

This week Jennifer Tupper and Jill Spaner will lead us in our Sunday worship. This service, held on National Indigenous Peoples Day, will centre on the theme of Living in Right Relations, inviting us to reflect on our responsibilities to one another, to the land, and to Indigenous peoples and communities. As part of the service, we will be guided in a Round Dance by Karin Weekes-West; all are welcome to participate as they feel comfortable or to observe with openness. Together, we will consider what it means to move beyond words toward practices of respect, reciprocity, and care, and to gather in a spirit of community and connection.

Have a blessed week,

Riverbend United Church
