July Worship During the month of July we worship with the people of St. Paul's United Church at 11526 — 76 Avenue NW. Their ministry team will lead us in their church. Maps are available [here](#) or in the Narthex. We worship there until **July 26th** and return to Riverbend United Church on August 2nd, with the people of St. Paul's and our ministry team leading us.

Property & Maintenance update The summer months are one of the few times when our Facilities Manager, Don Trenn, can schedule required maintenance such as floor stripping and waxing, and painting. Last week he had the chancel and entire basement floor cleaned, stripped, and waxed, and this week painting throughout the entire main floor of the Church is scheduled. Unfortunately, this means that regular weekly gatherings and meetings cannot take place in the Church. This includes the Wednesday Walkers, the Transitions and Crafting groups, and anyone else who had been planning to use the Church space. Please be in touch with your group to confirm if they are still meeting and where.

Take action for Guaranteed Livable Income The United Church is calling on the federal government to create a **Guaranteed Livable Income program**, a solution to provide a consistent income floor to reduce poverty, improve health outcomes, and provide stability. You can help make this change happen by contacting the Senate Committee who is reviewing Bill S-206 for the creation of a Guaranteed Livable Income. Add your voice today with just a few clicks: <https://united-church.ca/social-action/act-now/create-guaranteed-livable-income-program>.
