### **A note from Valerie**

Hello friends:

Epiphany: Manifestation. Revelation. Sudden insight.

The magi follow the star to the stable and honour the new born babe. They are asked to join a plot of Herod who is on a power trip and threatened by the babe. The wise ones are warned in a dream to go home "by another way" rather than join in the plot.

It's such a great metaphor for our lives, for the decisions we make moment by moment. What do we *truly* honour in our hearts and with our lives?

Join us as we begin this new year welcoming and following the light of love in all that we do.

Warmly,  
*Valerie*
