Message from Rev. Valerie

October 23, 2026

Dear Friends,

This week Carolyn Miller will lead us for our first Whole Community Worship since we have returned from summer travels.
Carolyn says:

One of the well-loved parables of Jesus is the story of the Sower who goes out onto the land hoping that the seeds sown will find fertile ground and grow into fruitful plants. This Sunday we will hear this parable again, told in a godly play style, and will explore how our seeds of faith can flourish in fertile ground. We hope you can join us either in person or online for this Whole Community Worship with our talented Ensemble leading us musically. As it is the last Sunday of the month our Mission and Service church will be in the sanctuary and you are invited to bring a donation should you wish. Supporting Mission and Service allows the United Church to financially assist many programs both here in Canada and across the globe. The story for this month is titled the House of Friendship and focuses on St. Luke's United Church in Toronto, ON. See you Sunday!

Have a blessed weekend,
Valerie
